CHURCH HISTORICAL SOCIETY

Directory

Of all Officers of the Parish and of subsidiary Societies in St. James's Parish, Philadelphia

November, 1911

Note

As will be seen, this publication is neither a parish paper nor a year book. It comes about in answer to a request by many of the parishoners. It furnishes mainly a list of officers and addresses for convenience in reference and communication. Some time has elapsed since our last year book was issued and many officers and addresses have naturally been changed.

It is not to be published with any regularity upon any stated date, but as need requires. Heads of Societies can make use of it for reference to various needs, by sending matter for publication to the Rector's Secretary.

Extended notices or comments upon work will hardly be useful. One general note may be inserted now at the outstart, and that is that in no work is there at the present moment anything like the proper number of helpers.
